The Street Angels project, which launched in Halifax in November 2005, has recently taken a new direction. On 1st April 2010 Street Angels became its own organisation, "Street Angels Christian Nightlife Initiatives". This will strengthen our work in Calderdale as well as the UK wide network of Street Angels and similar projects (such as Town Pastors, Street Ministers, Night Light, etc) currently running in around fifty towns and cities across the UK.

Calderdale Street Angels continues to: contribute to a month by month reduction in violent crime in our town centres; offer help and assistance to nearly one thousand people each year; invest around 8000 volunteer hours annually into our Borough; offer stewarding support at a wide range of community events.

To enable this much valued and effective work to continue, tying in with the launch of our new Company and Charity, Supporter Membership is offered to business, church, individuals and organisations. For either a one-off or monthly donation you will receive a framed certificate of membership and your name and web link on the much visited www.streetangels.org.uk.

Street Angels is one of the success stories for Halifax in recent years. An idea that has taken off locally and across the UK, seen royal recognition (the founder received an MBE in the 2010 New Years Honours), and received support from a wide range of people - in short **this is your project - be proud of it!**
