

Dear friend,

You will no doubt know of the success of the work of Street Angels. Since November 2005 teams of Street Angels have worked in Halifax town centre every Friday and Saturday between 9pm and 3am. We have directly helped and assisted thousands of people - ranging from those leaving the theatre, those who have had too much to drink, homeless, young people through to elderly people. Street Angels have contributed to a reduction in violent crime and sexual assaults and have helped make our town centre a much nicer place!

Because of the success in Halifax we have helped and assisted in some way almost 100 towns and cities across the UK to start similar projects. To this end the CNI Network was launched in July 2008 and is now a recognised national voice on faith and community based response within the night-time economy.

Now in our sixth year we are approaching the people of Calderdale to ask if you would consider supporting the work of Street Angels locally and / or CNI Network nationally. To run Halifax Street Angels costs around £8000 per annum for running costs (costs of premises, insurance, jackets, etc) and £22,000 per annum for the Project Manager's salary and on-costs. CNI Network costs around £60,000 annually (two full time workers and related expenses). We are looking for either one off gifts or monthly standing orders.

If you could help us in this way then we will add your details to our web site and in one of our monthly newsletters (if this is ok with you).

If you have other ways you can help us - such as running an event or inviting us to speak to a club or society you are involved in - then please do contact us...

Many thanks for your time in reading this letter and for any support you can offer StreetAngels - CNI.

Yours - Paul
