

# DODNAZE COMMUNITY CENTRE

open for everyone

**Hooray!!!! We're not closing!!** The centre has received funding from Grass Roots to take us through to next year. The grant is to help with the running costs of the centre as well as enabling us to buy some new toys and craft equipment for our toddler and after school groups. We've also been able to give the centre a lick of paint.

**More great news!** Hebden Royd Town Council has awarded us with a grant that will enable the centre to stay open until 2012. This is great news for the community as it means that we can still provide the groups and services that are much needed by us all. To celebrate we are arranging a new sign for the centre to replace the tired existing one. Keep a look out!

## Our Great New Park

Well the end of the summer saw the opening of our new park and what a fab park it is!!

The Mayor officially opens the park

Unveiling of the plaque and 'Thank you's'

Harry and his band rock the park

Special thanks to Jean for everything she's done in making the park improvements a reality.

## Project Worker

As you may already know unfortunately we saw our project worker Jean Delahoy say goodbye during the summer to move on to pastures new. Jean remains heavily involved in the centre as our new Treasurer. We have a new admin worker, Caroline Scott who is now the main contact for the centre.
