I am also seeking your permission for Revive Dance Company to publish photographs, videos with sound and/or samples of your child's work.

If you give your permission, Revive Dance Company may publish photographs of your child and/or samples of your child's work in a variety of ways, including, but not limited to, online, hard copy newsletters, a variety of promotional material and local newspapers.

If published, third parties would be able to view the photographs and work.

If you sign the attached form it means that you agree to the following:

1. Revive Dance Company is able to publish photographs and videos with sound of your child and samples of your child's work as many times as it requires in the ways mentioned above.
2. Your child's photograph may be reproduced either in colour or in black and white. The video with sound may be edited and included in a promotional DVD/Video.
3. Revive Dance Company will not use your photograph or samples of your child's work for any purpose other than for the general promotion of Revive Dance Company

Any photographs and videos with sound taken by Revive Dance Company will be kept for no longer than is necessary for the above-mentioned purposes and will be stored and disposed of securely.

Whilst every effort will be made to protect the identity of your child, Revive Dance Company cannot guarantee that your child will not be able to be identified from the photograph, video with sound or work.

If you agree to permit Revive Dance Company to take photographs and videos with sound of your child, and to publish photographs of your child, or samples of your child's work, in the manner detailed above, please complete the consent form and return it to Revive Dance Company by 5th May 2009
