

FIRE SOWERS

Dario Luiz Outreach Ministries

Dear friend,

Firesowers are conferences held across Brazil reaching out to over 200,000 people each year. Firesowers in Brazil has seen the church coming together in unity to hold a series of evangelistic meetings that have seen lives and localities changed for the better! In some Brazilian towns the local government close the town square attracting thousands, in other towns there may be less than one hundred - but the aim is the same: **to empower and equip the church and reach out to those not yet Christians**

Founder of **Firesowers**, Dario Luiz, has visited the UK on 21 occasions, and God has recently laid on his heart the need to reach Europe with the Gospel of Christ. Like so many around the world, Dario feels a debt to the UK because of the way this nation took the Gospel to the world. He, and partners in the UK, feel that 2008 is the right time to launch Firesowers with the same aims as in Brazil - to empower and equip the church and reach out to those not yet Christians.

What we are suggesting is a **UK Firesowers Fortnight - 13th - 27th February 2008.**, A team international evangelists (Brazilian, Italian and UK) preaching across the country. Size of meetings do not matter - what matters is people are equipped, empowered and given the opportunity of new life!

Each host church would need to provide:

- * £100 for cost of leaflets and folders;
- * board and lodging (hotel or in a Christian home) for the evangelist each night
- * transport for the evangelist to the next venue
- * an offering which will be for the evangelist each night

All airfares and other costs will be met by the evangelist themselves. A web site will also be set up to help administrate the weekend. The evenings will include ministry for salvation, healings, signs and wonders. They will demonstrate how God wants to interact with his people today.

For more information you can contact Dario Luiz at evangelist@darioluiz.com or Paul Blakey (the North of England Co-ordinator) at 07074 342123 / paul@blakey.org.uk or David Measures (the South of England Co-ordinator) on 01530 811629 / david@dwmmlife.co.uk .
