

Please pray

...children

- Lots of children!
- Lots of children registering before the event
- Real sense of “worship” amongst the children
- Sense of God’s presence in a real way
- Positive work with special needs children
- Safety
- The kids would have a fun, exciting time and would want to bring their friends next time

... team

- Enough team
- CRBs would come back in time
- The team would grow spiritually through this event
- Good relationships and unity amongst the team
- Good health
- The team would be feel equipped, envisioned and encouraged
- Lots of Junior team to get involved and feel valued and supported

...preparations

- The venue would be safe and accessible
- All the necessary equipment would be bought, borrowed or begged!
- The team would be able to creatively work together to put together a fun, interactive and challenging programme

.....misc

- Children’s leaders in their churches would be thinking about, inviting and organising groups of children to come
- Good relationships with parents and churches
- Modelling to the church the importance of children’s ministry
- Good relationships would be forged between children, team and churches across the city
