

The person named on this form has applied to join a Scripture Union activity team and has given your name as a referee. Would you please complete the reference form as fully and honestly as possible to indicate whether you think the applicant is suited to a Scripture Union team.

Scripture Union teams seek to bring children, young people and families closer to the living God through missions and holidays around the country. The team will be living and working together for anything from a weekend to two weeks. All the activities are led by gifted adults who have been appointed by Scripture Union.

If appointed the applicant would:

- work with, befriend and take responsibility for a small group of children or young people;
- be involved in presenting the Christian Gospel in various ways such as stories, drama and games;
- take part in teaching outdoor activities, arts and crafts, sports and special interests with their group;
- join in daily prayer and worship within a team, and
- prepare material to use with the children and young people.

Serving on an activity team can bring its own pressures which are often different from those normally encountered at home. Information you give regarding medical complaints, abilities or criminal convictions is considered highly important as it may affect the applicant's suitability. We therefore ask that referees give absolute priority to the safety and needs of the children and young people we are serving. We assure you that anything you write will be treated as confidential.

Please pray for the applicant as they seek to serve God in this way. If you or your church would like to consider supporting them financially, please indicate this in your reply.

When you have completed the form, please send it to the following address within 7 days of receipt: *(Please note that an applicant cannot be accepted on to a team until the references are received.)*
