

# What you'll find in Stockbridge Village

**This Area Profile provides you with information about what services and amenities are available on the estate. Further, more detailed information about the estate and various groups, churches and events is available on our website.**

Villages Housing is committed to providing quality, affordable homes, and to investing resources into the local community and our properties, including £5.5 million for our multi-storey improvement programme.

Stockbridge Village is in a brilliant location close to Junction 3 of the M57 Motorway and less than 30 minutes travelling time to Liverpool City Centre. Its excellent transport links means that Stockbridge Village is within convenient commuting distance to many major towns and cities in the North West including Liverpool, Manchester and St Helens. And with Liverpool John Lennon Airport just 20 minutes away, the world is on your doorstep!

There are many excellent facilities and amenities locally, including a health club and library and 4 local primary schools to choose from, a special needs school and the brand new state of the art centre for learning, Christ The King Joint Catholic and Church of England secondary school.
