

What you'll find in Fitton Hill

This Area Profile provides you with information about what services and amenities are available on the estate. Further, more detailed information about the estate and various groups, churches and events is available on our website.

Villages Housing is committed to providing quality, affordable homes, and in investing resources into the local community and our properties.

In 2004, Villages Housing Association was chosen by the tenants in Fitton Hill, Oldham to take over the estate from Oldham Council. The transfer involved 1220 properties including general family housing, flats and sheltered accommodation.

There are many excellent facilities and amenities locally, including a library, youth and community centre and a Centre for Professional Development.
