Fabian Hamilton (Leeds North East) : To ask the Secretary of State, Department for Business, Innovation and Skills, whether he has made an assessment of the effectiveness of the operations of the new machinery in the Royal Mail sorting offices in Leeds. (41844)

Edward Davey

The effectiveness and performance of new machinery in sorting offices is an operational matter for Royal Mail.

I have therefore asked the Chief Executive of Royal Mail, Moya Greene, to respond directly to the Hon. Member and a copy of her reply will be placed in the libraries of the House.
