Secretary of State

4th March 2011

I am writing following the announcement this week that Rupert Murdoch's News Corporation has been given government approval for its controversial planned take-over of BSkyB.

I am extremely concerned and am worried as to why you appear to have accepted News Corporation's offer rather than refer the take-over to the Competition Commission as was your intention only four weeks ago.

It was decided that Vince Cable MP could not handle this decision as he was not impartial. Is it fair then that you be allowed to make such an enormous decision as an outspoken supporter of Rupert Murdoch?

I would therefore ask that you send Ofcom's report straight to the Competition Commission for a full-scale investigation, without political interference.

Yours sincerely,

Fabian Hamilton
