

ROUNDHAY RESEARCH LTD

**Roche House Viewing Facility.
452 Street Lane, Moortown, Leeds, LS17 6RB**

Directions

Roundhay Research is situated on the corner of Allerton Avenue, Street Lane, Moortown, North Leeds only a 10 minute journey by car or taxi from Leeds city centre train station and 20 minutes from Leeds Bradford Airport.

By road

- Leave M1 by joining up with the M621 and prepare to come off motorway at Junction 4 at the A61 Harrogate and A58 Wetherby signs.
- Pass 'Tetleys Brewery' on your left, and 'The Royal Armouries' on your right.
- Over the canal bridge and on under railway arches following Harrogate A61 signs through traffic lights and on to the roundabout with the 'Playhouse' on right.
- Following Harrogate A61 signs under the York Road fly-over and on through lights passing a Daewoo Garage on left.
- On through all lights to the next roundabout and follow signs left for A61 and on through further lights finally turning sharp left and right to go through Sheepscar Intersection (where lower map begins)
- Follow sign for Harrogate A61 this will take you all the way up Scott Hall Road (a dual carriageway), 'BMW and Mini-cooper garage' on right.
- Travel approximately 3 miles over *three* roundabouts. After the third roundabout prepare to bear into right slip lane at the sign for St Gemma's, turning right at the lights into Street lane.
- 'Holly House Vets' is on left just before the traffic lights at Moortown Corner.
- Go straight across and travel approximately 100yds, turn first left into Allerton Avenue and 'Roundhay Research' is at the corner on immediate right.

Parking

There is a well-lit car park with security camera at the rear of the building and parking is unrestricted on Street Lane, but not advisable on Allerton Avenue.
